Dear Students and Parents/Guardians,

As the 2019-2020 school year comes to an end, the St. Rose School Staff wishes its families a restful and enjoyable summer vacation. I would also like to extend a formal welcome to all new and returning students and their families for the 2020-2021 school year.

With a shared vision and cooperation among students, parents/guardians and the school staff, St. Rose School is able to achieve amazing results. We are honored to have been entrusted with the education of your children. Please do not hesitate to develop a strong relationship with your child's teachers and communicate with them when necessary.

As a staff, we look forward to hopefully meeting you in the 2020-2021 school year. On **Thursday, September 10, 2020** we will be having our annual **Meet the Staff Night**. The evening is designed to give you an opportunity to meet the staff, get some general information about our school programs, and hopefully renew old friendships or make new ones. It will take place in the school gymnasium from 7:00 - 8:00 p.m. We look forward to meeting everyone.

We begin this school with some uncertainty. The events earlier this year have made many plans tentative. However, rest assured that St. Rose School has proven itself very adaptable. We do our best to regularly communicate with our families to keep them informed. **If the events below need to be adjusted, families will be notified. Information will be updated on our website:** <https://www.ecsd.net/schools/8227/Pages/Default.aspx> under "Parent Information."
